

## **Mission**

1. Provide advocacy for the business and non-business tenants of Falcon Field Airport.
2. Defend general aviation freedoms at Falcon Field.
3. Work to make and keep Falcon Field a stand alone enterprise within the City of Mesa.
4. Become an integral part of the management of Falcon Field Airport.
5. Provide volunteer employees to the City for Falcon Field administration personnel positions that can't be filled because of budget constraints.
6. Educate Falcon Field management about generally accepted business practices in the highly competitive world of business.
7. Work to respect airport management and ask airport management to work to respect airport tenants.
8. Keep the Mayor and City Council apprised of airport management's overall effectiveness. Help keep management honest.
9. Advise all business and non-business tenants of all rumors. Keep it straightforward.
